# Our CLASSROOM

Our classroom is a safe space for you to learn and grow and feel at home. We spend more time together than we do at home during the school year so we are very much a family! We treat each other with kindness and always try to uplift others. We have fun, laugh, get loud, but we also take our school work seriously and always put forth our best effort.

# Digital LEARNING

You will access the digital learning content through the Schoology website. More information will be provided.
